Alix Veitch

POSITION

Landscape Technician

PROFESSION

Landscape Architecture

YEARS' EXPERIENCE

1

JOINED CUSP

2019

EDUCATION

Dual Bachelor of Landscape Architecture and Urban Planning

AFFILIATIONS

Student member of AIA, PIA, and AILA.

SUMMARY OF EXPERIENCE

Alix is currently studying a dual degree in Landscape Architecture and Urban Planning at QUT. She has also completed an additional year of study in Architectural Design at UQ along with a Research Scholarship with the Architecture Theory Criticism History department. She has worked previously in Urban Design on residential master planning, built form guidelines and community design.

Alix's interests are in suburbia, active and public transport and the physical and psychological responses to the built environment.
