### SUMMARY OF EXPERIENCE

Alexandra recently joined the CUSP team in November 2019, upon graduating from Bachelor of Design, Landscape Architecture (Honours II a) at QUT with a nomination for the Karl Langer Award. Prior to this she has gained experience with multiple firms across Brisbane where she has developed a professional skillset to compliment the academic skillset developed throughout university. Through this experience she has worked on a variety of projects ranging from emerging communities, landscape rehabilitation and revegetation, and open space for schools.

Alexandra has developed particular interests in horticulture and planning, which supports her passion for creating resilient and dynamic landscapes at both the micro and macro scale.
