

Jacob Dawson

POSITION

Landscape Technician

PROFESSION

Architecture

YEARS' EXPERIENCE

1

JOINED CUSP

2019

EDUCATION

Bachelor of Design,
Architecture + 2nd Major in
Interior Design
QUT

Jacob joined Cusp in 2019 as a Landscape Technician and will soon complete his Undergraduate degree in Architectural Design at the Queensland University of Technology (QUT) in Brisbane.

Jacob has experience working on a variety of projects at different stages from concept design through to for construction documentation. He has worked on detail design documentation and three-dimensional modelling for the Brisbane city Queens Wharf development, compiling conceptual and resolved details into cohesive and thorough reports for approval by EDQ. He has also applied his considerable graphical skill set into developing high resolution renders for client presentations for Bluewater Quay Development in Mackay.

Jacob has comprehensive experience digitally modelling and documenting a variety of other projects, including multi-residential, complex sporting/recreational centres and infrastructure. Jacob implements his skills and unique experiences to elevate each project resulting in creative, innovative spaces that enrich individuals and communities.
