

## Jonas Nutter

### POSITION

Landscape Technician

### PROFESSION

Architecture

### YEARS' EXPERIENCE

1

### JOINED CUSP

2020

### EDUCATION

Bachelor of Design,  
Architecture + 2<sup>nd</sup> Major in  
Landscape Architecture  
QUT

Jonas recently joined CUSP in 2020 as a Landscape Technician, while he commences his undergraduate honours degree in Architectural Design at the Queensland University of Technology (QUT Brisbane). During his studies Jonas was awarded the Inaugural Guymmer Bailey Architecture Award for Sustainability (2019).

Jonas has gained experience with several multidisciplinary firms working on a variety of projects along the East Coast, developing skills in residential and commercial planning, conceptual development through to detailed design and construction documentation. His experience in graphic design and creative direction complimented by academic skillset allow him to contribute and respond with unique and innovative solutions.

His primary studies in Architecture are strengthened by a second major in Landscape Architecture, following his passion for creating interconnected urban experiences throughout the multidisciplinary field of design.
