

Sam Waterson

POSITION

Project Landscape Architect

PROFESSION

Landscape Architecture

YEARS' EXPERIENCE

5

JOINED CUSP

2016

EDUCATION

BLArch (Hons) – QUT

SUMMARY OF EXPERIENCE

Sam began his employment at CUSP as an Undergraduate Landscape Architect and has worked with the guidance of an experienced Senior team. He has been involved in taking a number of commercial, residential and open space projects from the conceptual phase through to contract documentation and construction.

Sam's vision for his career is to further develop a design process that results in clever, innovative places which engage with and strengthen local ecosystems.
