### EDUCATION

B. of Architecture – QUT

M. of Architecture - QUT

David joined Cusp in 2021 as a Landscape Technician as an architectural undergraduate student. He has since completed his bachelor studies and is currently completing his post grad degree 'Master of Architecture' at the Queensland University of Technology (QUT) in Brisbane.

Throughout his degree, David has taken a keen interest in multi-disciplinary design and its positive impacts upon society. He has worked on a range on projects covering mixed-use multi-residential living, master planning, transport-oriented development (TOD), adaptive re-use of heritage architecture, commercial, public and health. With additional studies in Interior and Landscape Architecture, David has endeavoured to integrate all disciplines to his projects to create multilayered, meaningful outcomes.
