SUMMARY OF EXPERIENCE

Andrew recently joined the CUSP team in April 2021, upon graduating from Bachelor of Design, Landscape Architecture (Honours) with a second major in Urban and Regional Planning at QUT. Prior to this, he has gained experience with multiple firms ranging from design to construct across South East Queensland working with a variety of clients including developers and families. Through this experience he has worked on a variety of projects ranging from residential, public parks and places, schools, multilevel-residential and commercial spaces.

Andrew has developed a particular interest in the planning and construction phase, which supports his passion for creating functional and sustainable landscapes at both the micro and macro scale.
