

## Joel Jeffreys

### POSITION

Landscape Technician

### PROFESSION

Landscape Architecture

### JOINED CUSP

2023

### EDUCATION

Studying a Bachelor of Design,  
Landscape Architecture - QUT

Joel has joined as an undergraduate while studying landscape architecture at QUT.

He is driven and passionate, and always excited to learn.

Joel has a love of Australian native plants and landscapes and is always looking to expand his knowledge on the subject. He hopes this is a passion he can bring to his professional practice and create landscapes that showcase the amazing qualities of our local plant species.
