

Sam Rumsey

POSITION

Landscape Technician

PROFESSION

Landscape Architecture

JOINED CUSP

2023

EDUCATION

Studying a Bachelor of Design,
Landscape Architecture - QUT

Sam has joined CUSP as a Landscape Technician while in her 3rd year of studying Landscape Architecture at QUT. She is passionate about native plants and incorporating them into designs with a particular passion around sustainable design.

Sam enjoys creating landscapes which tell a story, allowing for people to transition through an area, learning about history, whilst also being mesmerised by the beauty of nature.
