### SUMMARY OF EXPERIENCE

Brenton joined the CUSP team in 2021. Upon graduating from Bachelor of Design Landscape Architecture at QUT, Brenton developed professional experience working in both commercial and residential landscape architecture firms. This experience has given him a strong understanding of both the design and construction aspects involved in landscape architecture.

Brenton's strengths are in detail design, project management and building client relationships. He also has a strong passion for community consultation and involvement in Landscape Architecture, to make sure designs are inclusive and respectful to all communities and cultures involved.
