JOINED CUSP

2014

EDUCATION

GDLA (QUT)

AFFILIATIONS

AILA (Registered landscape architect)

SUMMARY OF EXPERIENCE

With over 30 years' experience as a registered landscape architect in Australia and overseas, Andrew has a proven background in all aspects of the profession across a wide range of landscape architectural/urban design project types. He has been both the project and design manager on large scale contracts for private and government agency clients including management of the project from concept through to the post contract administration phase. For the last 15 years Andrew has specialised in master planning, design and design development through his role as the Design Manager/ Project Manager at Tract WA; as an Associate with Urbis and now with CUSP. The focus of these projects has mainly been on civic, residential, urban renewal, education and commercial projects.

Andrew has combined his design and graphic skills together using digital free hand and graphic programs on Wacom tablets for over 15 years, to test, explore, develop and communicate outcomes for a diversity of projects. He also regularly works with other project teams in the office to workshop design ideas and provide peer reviews.
