SUMMARY OF EXPERIENCE

Yunjin (Winty) Wang joined the CUSP team in 2025, bringing 4+ years of industry and academic experience in Landscape Architecture. In 2025, Winty will complete a Doctor of Philosophy, researching fostering children's resilience within high-density urban areas, using evidence-based design to integrate natural landscapes into densely populated built environments.

She is the Registered Landscape Architect Candidate, Advocacy Committee Member of the Australian Institute of Landscape Architects (AILA), and Associate student program at Natural Hazards Research Australia (NHRA).
