EDUCATION

Bachelor of Design,
Landscape Architecture - QUT

SUMMARY OF EXPERIENCE

Joel joined CUSP as an undergraduate while studying landscape architecture at QUT. He is driven and passionate, and always excited to learn. He is continually gaining experience in managing and working on projects from concept design and detailed documentation, through to construction supervision and contract administration on site.

Joel has a love of the native plants and landscapes of SEQ and is always looking to expand his knowledge on the subject. This is a passion he brings to his professional practice by creating landscapes that bring together community and enhance local identity.
