### SUMMARY OF EXPERIENCE

Joining CUSP in 2025, Toby is a registered landscape architect who began his career in Melbourne upon completion of a Master of Landscape Architecture at RMIT. Toby has gained experience on a range of public, community, and education projects across Victoria, providing him with a strong foundation in both design and construction phases of landscape architecture.

Toby's strengths include detailed design, project coordination, and contract administration. He values collaboration and takes a practical, process-driven approach to his work. He is also passionate about designing inclusive spaces that reflect the needs of local communities and their context.
