Landscape Architect

PROFESSION

Landscape Architecture

YEARS' EXPERIENCE

1

JOINED CUSP

2025

EDUCATION

Bachelor of Design,
Landscape Architecture –
QUT

Bachelor of Science
(Environmental) - QUT

SUMMARY OF EXPERIENCE

Hana joined the CUSP team in 2025, whilst studying a Master of Urban Design and Development at the University of Queensland. Building on her qualifications in landscape architecture and environmental science, her current studies provide a greater understanding of the challenges facing the urban and natural environment at multiple scales.

Hana is driven to create spaces which enhance natural systems and connect people to place, strengthening human-nature relationships. She is excited by well-researched design outcomes in landscape architecture that work with existing conditions to support holistic and regenerative outcomes.
