### JOINED CUSP

2015

### EDUCATION

BA (Hons) LArch - QUT

### SUMMARY OF EXPERIENCE

Kellie joined CUSP in 2015 during her 3<sup>rd</sup> year of her Landscape Architecture Degree at QUT; she graduated with 2<sup>nd</sup> class Honours and a nomination for the Karl Langer Award. Her passion for landscape architecture comes with her interest in visual art, playground design and talent for creating a story in the landscape.

Over the last 10 years, Kellie has designed, managed and delivered a wide range of projects from broadscale residential parks, playspaces and activated waterways, to medium density retirement living, universities and tourism destinations. Most notably, she has become a key team member for CUSP in playscape design, specifically with early ideation, graphics and illustrations that have bolstered CUSP to become industry leader in landscape architecture for bespoke playgrounds.
