### SUMMARY OF EXPERIENCE

Sara is a recent graduate of Landscape Architecture at QUT. She also has a diploma in graphic design, a degree in interior design, and has worked across multiple industries as both a graphic designer and interior designer.

Sara developed an interest in Landscape Architecture after travelling and spending her summers on her family farm in Chile. She has a keen interest in creating special experiences that have strong cultural meaning and positive impacts on the community.

Sara has a particular passion for creating spaces which connect communities to culture and bring communities together. She is proficient in multiple design tools and is always looking to expand her knowledge and skills. She hopes to continue expanding her experience in community building and place making while becoming more proficient in the use of technologies to achieve strong connections to place.
