### POSITION

Senior Graphic Designer

### PROFESSION

Designer, Artist

### YEARS' EXPERIENCE

22

### JOINED CUSP

2014

### EDUCATION

Griffith University College of Art

### SUMMARY OF EXPERIENCE

Milkana is an all-rounder Graphic Artist/Designer with 20 years' experience in the built environment industry including Landscape Architecture, Urban Design, Public Art, Planning and Architecture. Her strengths are in producing high-end graphics such as 3D renders, master plans and marketing materials unique to the project and client requirements.

She is proficient in leading graphics software packages and has high level traditional hand drawing skills. The spectrum of her project involvement is vast including award winning Qld based projects, significant bids and published work such as Ipswich River Heart Parklands, Rosella Park North Shore, Caxton Roma Pedestrian Link Brisbane, AirportlinkM7 and Caloundra South Vision and Masterplan. As an artist Milkana has been involved in public art projects as well as Landscape Architecture Entry features, Art Strategies and Exhibitions.
