Student Landscape Architect

PROFESSION

Landscape Architecture

YEARS' EXPERIENCE

1

JOINED CUSP

2025

EDUCATION

Bachelor of Built Environment
(Landscape Design) (Honours)
- QUT

SUMMARY OF EXPERIENCE

Zoe joined the CUSP team in 2025 whilst studying Landscape Architecture at Queensland University of Technology.

Zoe continues to grow her design skillset through her studies and work at CUSP, with a love of hand-drawing and learning new tips and tricks. She is passionate about helping create spaces that foster deeper personal connections with the environment. Zoe recognises the importance of designing with sustainability and historical context in mind.
